

Kalori is an Aboriginal word meaning "Message Stick"

Dear Families,

Aren't children amazing! We thought we might have to settle them back into school and remind them how it all works, but we didn't need to. They have settled back in incredibly well, even the Foundation students. I also give credit to staff who are very routine in how they structure their daily programs. Staff and students are back to normal, I say normal because very little has changed.

One thing staff are very keen to continue and build upon is the regular communication we had with families during remote learning. From our end it was fantastic to be able to chat with you, our families, on a regular basis. We'd be keen to get your thoughts on this and as such I will send home a survey to gauge what you found most useful.

Next week, students Mid-Year Reports will be sent home. Instead of a face to face Parent Teacher Interview, staff will call all families between June 22nd & June 26th. If you have a missed called from your child's teacher, please call them back as this conversation will replace the mid-year Parent Teacher Interviews.

It's also been really nice to have quite a few new students start at SHNPS following the return to school. Some students returning from other towns, but many students relocating to our school, from other local schools, because they have heard great things about SHNPS. This is something we are proud of and we know that families are significant in highlighting our school's strengths.

It has been wonderful having all the students back and the energy they bring to our school.

If you have any queries or concerns, please give me a call or send me a text.

School Vision

We are a school where...

Students, Teachers and Parents work together to support all students in building the knowledge and skills needed to achieve personal success and reach their academic and social potential.

School Mission

In our school we intend to...

Create a challenging learning environment that encourages high expectations for success through appropriate instruction. Promote safe, supportive, caring and stimulating environment. Each student's self esteem is fostered through positive relationships with students and staff. We strive to have our parents, teachers and community members actively involved in our students' learning.

Would you like the Kalori emailed to you?

Please just send Marty an email and you will be included on the mailing list every fortnight.

gray.martin.r@edumail.vic.gov.au

You will even receive the Kalori before your child does!

ESSENTIAL
WORKER
DRESS UP

Thank you to all the families who dressed up as their favourite Essential Worker on Friday. **We raised \$201 for the 'Buy Them A Coffee' initiative** to show appreciation to the Essential Workers in our community.
